Mr. Tim Byk  
West Los Angeles Fisher House Foundation  
140 S. Barrington Ave.  
Los Angeles, CA 90049

Dear Mr. Byk,

I am proud to offer my support for the construction of the 21-suite West Los Angeles Fisher House on the VA property. Fisher House's mission is an important one: providing free temporary on-site lodging to families of veterans receiving in-patient medical services at the West Los Angeles Veterans Administration. With increasing numbers of veterans returning to the Los Angeles area with significant medical issues, this project will support the men and women of America's military in their time of need.

As you know, I strongly support a Master Plan for the VA property. This project, while not under the authority of such a Master Plan, is consistent with the purpose of the VA property, which is to benefit veterans. Furthermore, due to the small size of the project, I believe its impact on the surrounding community will be minimal. I urge Fisher House Foundation to work with the community and appropriate elected officials should any disruption of traffic or environmental concerns arise.

With much appreciation for the invaluable service you are providing -

Sincerely,

A handwritten signature in cursive script that reads "Mike Feuer".
